

The President's Thoughts

by Charles Brooks

Greeting. I hope last month did not throw too many off. With the predicted weather, I polled the board on their thoughts on canceling the meeting. So this was a decision made by the board to cancel the February meeting.

Guys it has been a long time since we have had a plane of the month, so as you get your winter projects finished up bring them to the meeting and show them off. As always I'm open to any suggests that will get more members in for the meetings. So feel free to send the suggestions. One item that I feel like I have changed a little is keeping the meeting rolling so we get the business done and not take all night. I will be doing the presentation this month that I had planed in February

Happy Flying
Charles
