> A PRESENTATION WAS GIVEN BY DAN THOMPSON ON PROPELLER PERFORMANCE.

>MEETING ADJOURNED.

I WANT YOU

Cubs and Classics

Hey guys the event is June 12th reg at 8 and fly 9 to around 4. \$15 includes pilot lunch. Any size model of a full scale from around 1950 and back. So come out and have some fun putting around the sky.

Looking for help.

Guys this is the first year that my mom will not be doing the cooking. I'm in need of someone to man the grill. Please give me a call if you can help out.

Thanks Charles 859-494-5378

Event Report

by Dan Thompson

Kentucky Bluegrass Vintage Festival By Dan Thompson

The 2nd Annual Kentucky Bluegrass Vintage Festival held in Lexington KY on May 29th and 30th 2010 is now history.

The weather on Saturday and Sunday was perfect. Low humidity and in the low 80's for temperature. Winds of less than 1 MPH. No clouds in the morning and just the nice white puffy ones in the afternoon. Someone upstairs is looking out for this fly in. Both years it rained on Friday and again late Sunday evening, but was perfect both days in between.

There were 16 registered pilots with 5 of those LMAC members and 11 from out of state. The out of state participants were from Florida, Michigan, Illinois, Indiana, Pennsylvania, New York and Canada..

The arrival night (Friday) was celebrated at the Bob Evans restaurant with 14 attendees.

Flying on Saturday was terrific. Many flights were flown by planes of all types. Rudder only, REM and full house controls both vintage and modern radios used. Quite a range of vintage planes were represented.

On Saturday my wife took the out of town ladies to Claiborne for a horse farm tour with lunch at a the Julep Cup restaurant and shopping at Flag Fork.. The kind of place for the ladies.

The Saturday night Banquet was held at Columbia's restaurant and was attended by 17 people and the awards were given out. Joe Fife from Ft. Meyers, FL received the awards for the best finish on his Taurus and the Farthest Participate, Jean-Marie Piednoir of Columbus Ohio took the Technical Achievement award for his synthesized single channel escapement transmitter. Jean-Marie also received the Concours award for the Halftone 1/2A which used the synthesized transmitter.

Sunday evening the 8 VRCS members, that stayed for Sunday flying, and their wives were invited to my house for a meal and a shop tour.

I would like to thank the LMAC club members that helped me with the landfill gate issue. Mike Lambert, Jim Jackson, Mike Higgins, Al Schroeder, Steve Campanelli,

Dan Thompson
