

The President's Corner

by Gayle Yarnell, President - LMAC

As we head into December, activity at the field has all but stopped, there has not been many good weather flying days during November. December will more than likely not be much better. The annual LMAC Swap Meet was held on Nov. 12th and turned out to be a total success, thanks to Joe Woods for making it a great event.

Our November club meeting was held on Nov.10th at the Northside Library due to a scheduling conflict at Morning Pointe Senior Care Center. Club Officers were elected and the annual Swap meet was discussed.

As you read this article Thanksgiving will be over but the memories of spending a day with family and friends will not soon be forgotten. I hope everyone had a wonderful Thanksgiving.

Our next club meeting will be held on December 8th at the Morning Point Senior Care Center. Everyone is invited to come out and enjoy an evening of fun with fellow modelers. As usual, we will have the Plane of the Month contest sponsored by Brian Alderman at Coyote Hobbies. Thanks to Brian for his continued support.

As this will be our last newsletter before New Year's Day, let's not forget the first event of the 2017 season. The annual Numb Thumbs event will be held on January 1st. Hope to see everyone there. Until we meet again stay safe and keep your batteries charged. And to all of my friends have a very Merry Christmas and a happy New Year.

Gayle Yarnell
 President - Lexington Model Airplane Club

Minutes of November 10th, 2016 Club Meeting ***by Mickey Breunig, Secretary***

The club meeting was held on November 10th, 2016 at the Northside Branch of the Lexington Public Library, Lexington, KY. Lexington, KY.

The meeting was brought to order at 7:10 by Gayle Yarnell.

It was noted that there should be a correction that the Plane of the Month is actually sponsored by Coyote Hobbies not as stated previously in the newsletter.

The motion to accept the minutes of the October meeting was made by Gayle Yarnell, 2nd by Carroll Ware and passed by vote.

The Treasurers Report was given by Carroll Ware. We have 128 current members and 4 new for next year.

The motion was made to accept the Treasures Report by Dave Price, 2nd by Lee Wright and approved by Vote.

Gary Hyde reported that there is not currently anyone in training.

Dan Thompson reported that Inventing Flight will do an after school activity with the YMCA.

Lee Wright gave an update on his hand injury and suggested to always have someone hold your plane for you. Lee also advised that his type of injury is covered by the AMA insurance.

Old Business

A motion to accept the slate of officers was made by Dave Price, 2nd by Lee Wright and approved by vote.

New Business

Dan Thompson made the suggestion and there was a discussion on displaying AMA cards in order to fly.

Dan also made the suggestion that some others besides the treasurer be able to keep keys and accept membership applications.

The motion was made by Gayle Yarnell that AMA cards will need to be worn in order to fly. The motion was 2nd by Curtis Adams and approved by Vote.

The meeting was adjourned.

The next meeting will be at 7:00 pm, Thursday, December 8th, 2016 at Morning Pointe Senior Center, 150 Shoreside Dr, Lexington, KY.

Blast from the Past

by David Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some, it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement for E-Z Just U-control Handle from the September 1962 issue of American Modeler. The picture shows my well-worn E-Z U-control handle that I still use. The red tape on the handle is to quickly indicate which way is UP – don't want to confuse that when taking off.

E-Z JUST
CONTROL HANDLES
with preformed loops

“Standard” 5-inch size, ideal for stunt and combat ships. Quick hook-up, adjustment and sure-lock. 150 lb. min. pull test. Hot fuel-resistant plastic handle.

At All Leading Dealers... **95¢**

“MINIMOUNT” TEST STANDS for engines up to .19 displacement..... **\$1.25**

PHIL-LEYS
BUFFALO 25, N.Y.

FINGER TIP ADJUSTMENT—NO SCREWS, NUTS, BOLTS OR TOOLS NEEDED

LMAC Swap Meet - Report

First, I want to thank everyone who helped with this year's Swap Meet. There were about 20 members that turned out at 7:00 am (some at 6:30 am) to arrange the tables at the JackPot Bingo Hall in the Eastland Shopping Center, on November 12. We usually have 3 teams; but the members have done the setup enough that they knew the drill and immediately started as they arrived. Setup was done before 7:30 am. There were only 8 members for the re-set of the tables at 1:00 pm; so the core group, most of the officers, got a tough work-out.

We were down in table rental from last year's record. This year, 56 tables were used versus 82 last year; but this year was about equal to 2014. So, table rental was down \$375 from last year. Buyer's fees were down \$16; but donations were up about \$175 and expenses were down resulting in overall profit of \$1253 which was down \$119 from last year. Comparing to the 10 year average; profits increased by \$122. We were fortunate that Steve Campanelli donated 4 tables of planes and accessories that brought in most of the donation dollars. There were a few additional items donated that help in that area. Thank you to those who donated. Lester Ware managed the sales of the donated items – he did a great job!

To try to hold the buyers, we continued the "Door Prize" presentation like last year. Tower Hobbies donated four \$25 gift certificates again this year. Four drawings took place during the meet. Winners must be present to win. The Raffle item was a TACTIC TTX850 2.4 GHz Transmitter Radio, donated by Hobbico. It was won by Ralph Herms. This nice donation saved us the expense of purchasing a Raffle item. Thank you, Tower Hobbies and Hobbico.

I welcome any suggestions as to how we could have a better Swap Meet. Any ideas of how to get more attendance would be appreciated. Also, ideas on how to get more profit would be great.

Joe Woods,
2016 Swap Meet Coordinator
jwoods41@aol.com

Numb Thumb Fly - Jan 1, 2017
