

The President's Thoughts

By Mickey Breunig, President

I hope everyone enjoyed the swap meet. It was a new location and with anything new it gives us many opportunities to improve. We have received some feedback on how to improve the swap meet at this location and we welcome any more suggestions. All in all I think it was a great success.

As with every New Years Day, we will be hosting the Numb Thumbs Fly-in. This gives everyone the opportunity to get out to the field on New Years Day and get in some flights. Keep in mind that it does not matter what the weather is forecast to be or what it turns out to be, the Numb Thumbs Fly-in will go on as planned. We will have bowls of hot chili and hot dogs to warm up the day despite the weather.

Our next meeting is coming up on Thursday at 7 pm. The meeting will be held at Buds Gun Shop in the meeting room upstairs.

I hope to see everyone there.

Michael Breunig

- a) Meeting Mickey called for the meeting to close
- b) Voted and approved by the members present
- c) Time: 8:00 p.m.

Blast from the Past

By David J. Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the December 1931 issue of Model Airplane News for Scientific Model Airplane Kits' balsa. How about 36 inch long balsa sheets for \$0.05 to \$0.19 each? Today, balsa sheets cost \$3.00 and up plus shipping. Have a Merry Christmas! May Santa bring you lots of RC goodies.

Whether you are giving or receiving

SCIENTIFIC MODEL AIRPLANE KITS

insure a Merry Christmas for all

WORLD'S LOWEST PRICES! 3 HOUR SUPPLY SERVICE!

Scientific Balsa Scientific Balsa Wood is the lightest and best Balsa grown and is imported from South America. Model aeroplane experts at every corner of the globe have used our Balsa for both their flying and scale models. Scientific Balsa Wood is Kiln Dried—straight-grained stock, especially prepared and cut to convenient usable sizes.

Numb Thumbs Fly In January 1, 2022

Don't forget about the Numb Thumbs Fly In. This is an annual event that goes on rain or shine or snow. Time is usually around 10am and we fly til we are cold or numb. It is always a lot of fun and there usually is food involved. Come out and join us for fun and fellowship with your fellow club members. Everyone welcome.

Merry Christmas
