

The President's Thoughts

By Mickey Breunig, President

The weather is miserable, and you really want to get out into the cold, wet, windy day to get a few flights in. That's not what is on your mind with this fine weather we have had the past couple days? I don't think it is going to get much better by the end of the year, but we will still go ahead and plan for the Numb Thumbs Event on New Years Day..

That's right. New Years Day, whether there is rain, snow, ice, wind, or by the slightest chance a sunny warm day, we will have the Numb Thumbs Event. If you don't feel brave enough to challenge the weather and fly, you might still want to come out and have lunch with the rest of the foolhardy people that will show up. Each year I think the weather is too bad for anyone to show up and each year I am surprised by the number that make it out. We will have a hot pot of chili cooking and ready to help warm your belly. I don't think there is any hope for your fingers, they will stay cold, but we will keep your belly warm. There is always plenty so everyone should come on out and join the fun.

We typically get started about 9:30 am, once the ice melts, and it will continue as long as you can stand it. Most people start leaving about the time when it actually starts to get warm around 1 pm or once they get their belly full.

Our next meeting is Saturday December 10 at Bud's Gun shop at 11am. Come on out and help us plan for the Numb Thumbs Event

Hope to see you there.

Michael Breunig

Next LMAC Club Meeting:

Saturday, December 10, at 11:00 AM

Meeting Location:

Buds Gun Shop and Range
1105 Industry Road
Lexington, KY 40505

Meeting Minutes from November 5, 2022

by George Kissick

Call to Order

Call to order of the Lexington Model Airplane Club by Mickey 10:13 a.m.
11/05/2022

- A. Minutes accepted for approval
 - a. Mickey made the motion
 - b. Motion approved by members
- B. Treasury Report
 - a. Question raised about difference in beginning balance
 - i. Treasurer will review the discrepancy and report at the December meeting
 - ii. The report will be brought forward to be voted on in the December meeting
- C. Safety
 - a. No Report
- D. Training
 - a. No Report
- E. Old Business
 - a. The Fall Classic will be held the second weekend of September 2023
 - b. Mowing is done for the season
 - c. Members are reminded to wear their AMA card if they are flying
 - d. Members need to take the Trust Test and have their card on their person while flying
 - e. What is the trust test?
 - f. What is the Trust Test?
 - i. The Recreational UAS Safety Test (TRUST) was developed to meet this requirement. TRUST provides education and testing on important safety and regulatory information. If you fly your drone recreationally under the Exception for Recreational Flyers, you must pass the test before you fly.
 - ii. Web site for the trust test: <https://trust.modelaircraft.org>
 - iii. After you take the course, there will be an no fail exam
- F. Members are reminded to have their FAA number on their airplane
 - a. Make sure you have a valid FAA certificate. You are not sure of your status
 - i. Go to <https://faadronezone-operator.faa.gov/#/rec-flyer>

Meeting Minutes from November 5, 2022 (cont'd)

by George Kissick

- A. New Business
 - a. The membership voted on the slate of officers for 2023
 - b. The officers will remain the same for 2023
 - i. President – Mickey Breunig
 - ii. Vice President – Gary Hyde
 - iii. Treasure – George Kissick
 - iv. Secretary – George Kissick
 - v. Safety Officer – Lester Ware
 - vi. Senior Advisor – Gayle Moore
 - vii. News Editor – John Royalty
 - viii. Training Coordinator – Jeff Cummings
 - c. Slate of officers were brought up for a vote
 - i. Dan Thompson made the motion
 - ii. Mickey seconded
 - iii. Approved by the members at large
 - d. George Kissick suggested that the porta-potty service be stopped between December 2022 to April 2023
 - i. The club will save approximately \$344 for the winter months
 - ii. The porta-potty will remain at the site but will not be serviced
- B. Swap meet volunteers are needed for the swap meet on November 12
 - a. 46 tables have been reserved
- C. Meeting Adjourned by Mickey
 - a. John Royalty seconded
 - b. Approved by the membership

Merry Christmas

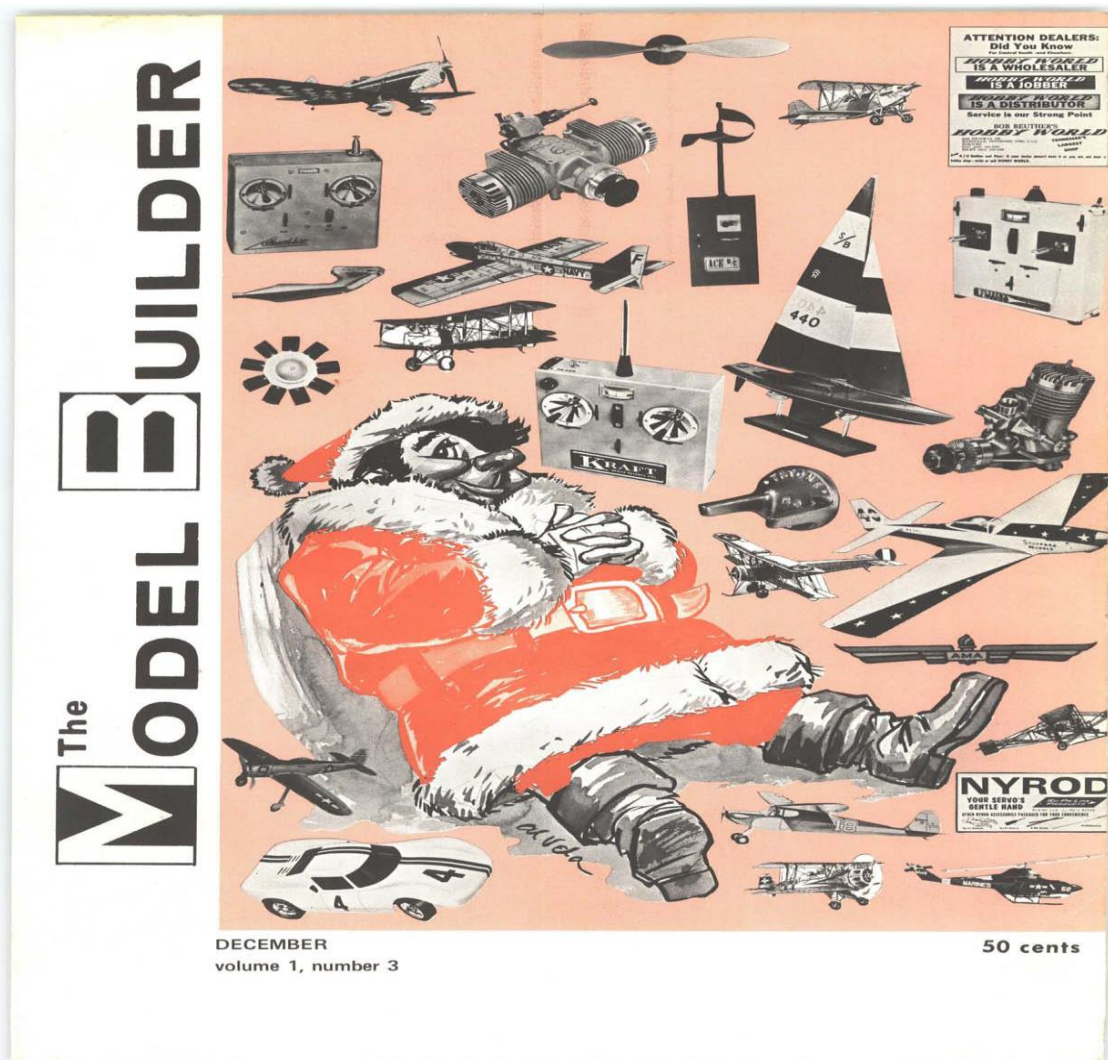

Blast from the Past

By David J. Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is the cover from the December 1971 of Model Builder. How many RC items do you recognize? Merry Christmas! Hope Santa brings you lots of modeling goodies.

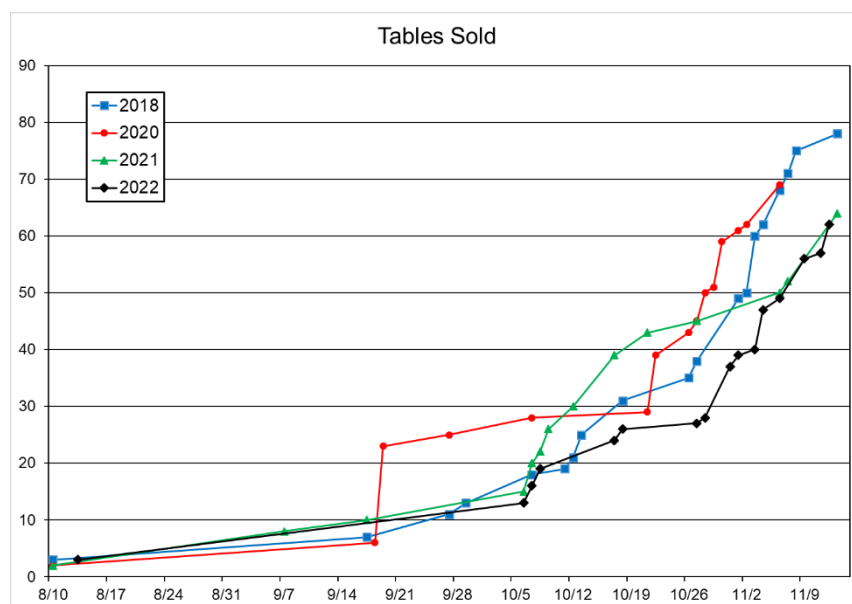

21st LMAC Swap Meet Results from David Price, committee chair

First, many Thanks to John Royalty, Jim Newberry, Jeff Cummins, Mark Clifton, Mickey Breunig, Curtis Cox, Terry Booth, and Jason Salehi who provided invaluable help to me with this year's Swap Meet. A special thanks to Lester Ware for running the LMAC donation tables – he always does a great job. The Income report is presented below:

INCOME	
Admissions	\$205.00
Plane Raffle	\$102.00
50/50 Draw	\$46.00
Donations Table	\$256.00
Tables Sold (62 tables)	\$700.00
Total	\$1,309.00

The number of tables sold was slightly down from years past. In 2018 we rented out 76 tables versus 62 this year. The decrease was due in part to another swap meet on the same day in Murfreesboro, Tennessee. I had several Tennessee modelers inform me that they were staying close to home. Even so, we made a profit of \$1309 (in 2018 we had a record profit of \$1555).

21st LMAC Swap Meet Results **from David Price, committee chair**

We were very fortunate to receive an AeroScout S2 1.1m Ready-to-Fly trainer from Horizon Hobby as a Door/Raffle prize. Horizon asked to be provided with digital content so they can share on their social media platforms. I received the plane days before the meet. John Royalty made sure that the Raffle activity was a financial success by promoting ticket sales and running the raffle.

The 2022 Lexington Model Airplane Club 21st Annual Swap Meet's Door/Raffle winner: Mike Boyd from Wilmore, KY.

Thanks again are extended to Horizon Hobby for donating the airplane package.

Chris Reed won the 50/50 drawing. I believe everyone had an enjoyable time buying and trading. The Swap Meet continues to generate over \$1300 for the club treasury. David J. Price, Chairman, LMAC Swap Meet

LMAC Swap Meet Pictures

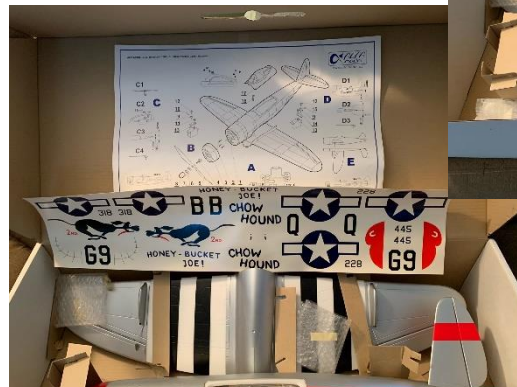

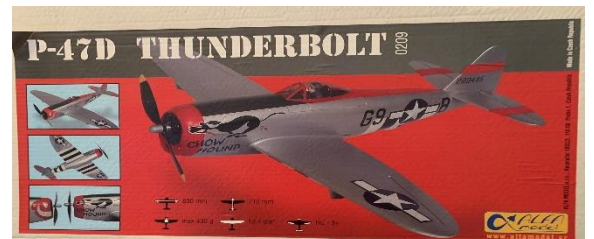

For Sale: Take a Look Won't last long!

The price is \$40 for both planes. The Park Flyer P-51 is complete and ready to fly after minor assembly (has been flown once by professional RC pilot). The Alfa Models P-47 is an airframe with most all components to complete and fly including controller. The price \$40 dollars for both. My contact info is TEXT: 859-494-8002. EMAIL: sgtrocklex@gmail.com. Glen Carmichael

Fully Aerobatic Warbird Replica

- Includes FM transmitter, batteries and variable rate DC peak charger
- 3-cell Li-Po battery compatible
- Fully proportional elevator, aileron and throttle controls
- Semi-symmetrical aerobatic airfoil
- Thrilling scale appearance and flight behavior
- Authentic, factory-applied paint scheme and decals
- Powerful 480 motor with gear reduction
- Two transmitter-activated flight modes
