

The Fall Classic

The Lexington Model Airplane Club

September 7, - 9, 2023

**Location - The Lexington Model Airplane Club Field.
4200 Hedger Lane, Lexington KY.**

Via I-64 take exit 87 and follow the signs.

You can travel interstate highways to within a couple miles of our field.

If you would like to come to a laid-back fly-in without too many rules, the Kentucky Fall Classic may be your event. We offer hospitality and fun. One of the best home cooked dinners you will ever get at a fly-in or restaurant. We have lots of hotels, restaurants, and other entertainment all within a few minutes of our field. This is technically a Giant Scale Event, but we will allow open flying on Thursday and Sunday.

Giant scale specs apply on non-open flying days with some exceptions.

Monoplane = 80 inch or larger wingspan,

Bi plane = 60 inch or greater wingspan.

Warbirds with 70-inch wingspan or greater.

Any size turbine jets.

The landing fee is by donation.

We hope to have some fun things planned for the open flying days.

Hint-Bring your electric planes and practice your spot landings.

A Saturday night dinner for pilots and their guests will be available. Tickets will be \$15.00 per plate.

The field features a 650-foot paved runway and a parallel grass runway.

The flying area is open and unrestricted.

Onsite camping is permitted. We have 8 - 30-amp hookups. Camper hookup is \$10 per night.

This year we will be taking reservations for camping. This is a change from past years.

To make your reservation you will need to contact Jeff Cumming via email: jtcummings@bellsouth.net

Jeff will send the info needed to make your reservations.
