

## The President's Corner

by Mickey Breunig, President -LMAC

Spring is just around the corner and the flying season will be here before you know it. At the meeting this month we will be discussing the budget for the club.

The budget is an important part of planning the year for the club and everyone is invited to attend the meeting and participate. We are always open to suggestions.

Our next meeting is 7pm, Thursday the 14th at Morning point. I hope all can show up to help plan the upcoming year.

Hope to see you at the meeting.

Michael Breunig

## Blast from the Past

by David J. Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some, it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the July 1950 issue of Model Airplane News for the Power Props and Top Flites wood propellers. Prices of 20 to 30 cents per prop.

Here's the biggest News since Lindbergh soloed the Atlantic! Again the price of **POWER PROPS** and **TOP FLITES** goes down. Now at the lowest possible cost you can have the very props that took more "firsts" in '48 and '49 Nationals than any other make. Yes, the very Props that took first in Stunt—Speed—Free-flight—Pay Load—CO<sub>2</sub> and what have you! And still **POWER PROPS** and **TOP FLITES** are the finest precision-made props on the market . . . finished to round leading edges . . . thin trailing edges . . . individually balanced and lacquered. Everything a good Prop should be plus the enviable reputation for Championship Performance. Those are the facts fellows . . . get'em and fly'em . . . you can't beat'em.
