

The President's Thoughts
By Mickey Breunig, President

Well January doesn't have much more to offer than bad weather, but that gives us time to work on our planes.

It is time to think about paying our dues. Everyone can take the opportunity to pay their dues at the meeting this Saturday. We will be getting some planning done for the events this upcoming year also.

For those of you interested in going to swap meets, there is a swap meet coming up the 27th of January in Charlestown, Indiana. It is at the 4H building in Charlestown. The details for it can be found on the AMA's website or you can ask me. I have not seen a flyer.

Use this link for info:

<https://www.modelaircraft.org/events/skyliners-2024-swap-meet>

The meeting Saturday will be held at Bud's Gun Shop. It will begin around 11am and last no more than an hour.

Hope to see you there.

Michael Breunig

 - E. Special anniversary fly-in to be discussed at a future meeting
 - 1. Possibility of having the celebration in conjunction with Fall Classic
- A. All those present voted to adjourn the meeting at 12:03pm

Blast from the Past

By David J. Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the January 1931 issue of Model Airplane News for Metal Models from Airplane Metals. The models are advertised as “non-breakable, fire and weatherproof”. Probably would not be approved today.

World's largest Vintage Propeller Collection from 1926 to 1948

Indoor flying and Great fellowship with people with like minds.

Welcome all.

Has the winter got you down. No flying or camaraderie.

Well, there is a cure in site for these symptoms.

Every Friday at 8:30 AM at Frisch's in Winchester there is a group of mostly model airplane people that meets for breakfast. The discussions of this group is varied, but politics and religion are not normally a topic. Frisch's is on the Winchester bypass just east of route 60 (In Lexington it is known as Winchester road.)

If you are so inclined, at 10:30 AM at the Winchester Parks and Recreation gym on Wheeler street, indoor RC flying is enjoyed by a bunch of fellows. This event is from 10:30 AM to 12:30 PM every Friday. This flying site is sponsored by the Clark County RC Barnstormers model airplane club. You may visit and fly as a guest to see how you like it and if inclined, join the club.

The breakfast bunch and the indoor group meet all year. You can do both events or either one.

Break out of the winter rut and come join us.

Dan T.

CAN YOU SPOT THE MODELER?

Numb Thumbs Fly In

This article was taken from LMAC Facebook page which was written by Curtis Adams I believe. I add a little and made changes to put in newsletter. Thanks to Curtis!

Numb Thumbs 2024. We had a good turnout for Numb Thumbs 2024. Unofficial estimate around 15 - 20 in attendance. The weather wasn't too bad, temps 32 - 35 degrees. The winds were light, so the wind chill wasn't bad either. As the day went on it got colder and windy. I noted several flights even though there were several folks like me who chose to keep their hands in their pockets to keep warm. There were two pots of chili, one was made with deer meat the other made with the traditional ground beef. Thanks to Mickey and Carroll Ware for the pots of chili. All in all, it was a great way to kick off the new-year. Thanks to all the came out.

Thanks to Bud Gun Shop & Range

I would like to give a huge THANK YOU to Buds Gun Shop for all the years we have been able to use their carry conceal room and especially Dan Moley for the continuous hospitality each month during the winter season. Dan Moley several years ago volunteered Bud Gun Shop large meeting room located upstairs in their facility, this room is where they have their Concealed Carry Classes. So, if your need ammo or anything that has to do with firearms, please *visit Buds Gun Shop. They will be happy to take care of your firearm needs.*

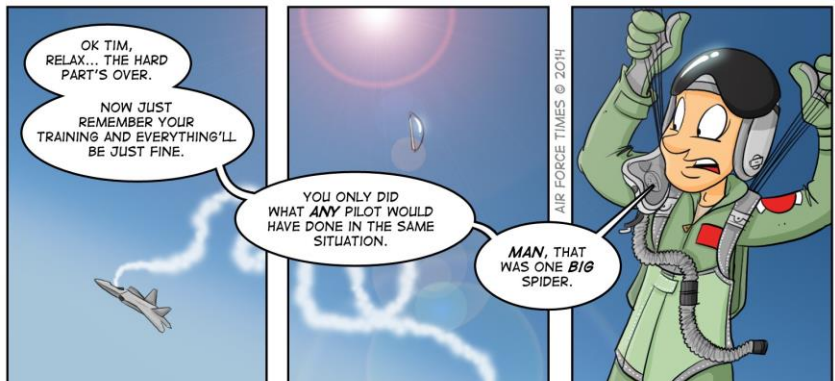

Thanks to Dan Moley and Buds Gun Shop and Range.
