

## ***The President's Corner***

*by Mickey Breunig, President - LMAC*

Well, this month just blew right by. A few good days in there, but I wasn't able to capitalize on any. During the entire month, I have been looking forward to the first Saturday meeting at the field.

The next meeting will be at LMAC field. The meeting will be at 11:00 with lunch following the meeting. Flying before and after the meeting is not only allowed, but encouraged.

See you there.

Mickey Breunig  
President - Lexington Model Airplane Club

---

## ***Minutes of April 13th, 2017 Club Meeting***

***by David Price***

---

The club meeting was held on April 13th, 2017 at Morning Pointe Senior Center, 150 Shoreside Dr, Lexington, KY.

Meeting was called to order at 7:10 PM.

Mickey Breunig made the motion to approve last month's minutes, the motion was seconded by Joe Woods. Motion voted on and passed.

Carroll Ware Sr. gave the treasurer's report and indicated we had a total of 99 paid members for 2017. There is \$13832.00 in the checking account, \$621.62 in the education account and \$3750.00 in the airfield maintenance account. Mickey Breunig made the motion to approve the Treasurer's report, it was seconded by Lee Wright. Motion passed.

### **Old Business**

The May meeting plans were discussed. The next meeting will be Saturday May 13 at the flying field. Meeting at 11:00 AM and lunch at 12:00 to 12:30. Carroll Ware Jr. to cook burgers and hot dogs.

Dave Price talked about the LFUCG clearing efforts and new fencing on Hedger Lane. Dan Thompson indicated that most of the new fence along the road has been installed.

### **New Business**

Curtis Adams talked about the Kentucky Fall Classic Fly-in. Curtis will need volunteers to help. He indicated that WLEX's Lee Cruse will do a show on September 12. Jason is working on a promotional video and will advertise the event on social media. Gale Moore is organizing a tour of the horse farms. It will be \$30 per person for up to 36 people, and lasting around 1 ½ hours.

Carroll Ware discussed the impact of FAA regulations may have on the future of the hobby. Dan Thompson indicated that AMA had been declining, but recently has increased perhaps due to drones. A discussion on drones and quad copters followed.

Mickey Breunig made the motion to adjourn the meeting, it was seconded by Curtis Adams. Meeting adjourned 8:00 PM.

The next meeting will be at 11:00 am, Saturday, May 13th, 2017 at LMAC Airfield, 4200 Hedger Lane, Lexington, KY.

## Treasurer's Report

by Carroll Ware, Treasurer

Reminder, its time to renew your club membership for 2017 by sending application and check to Club Treasurer, Carroll Ware. Turn in your old airfield gate key. For dues information and forms, click on this link .....

## Model of the Month

Kenny Stevens won the Model of the Month award with his rebuilt SV-22 control line acrobatic aircraft. The plane was crashed last year and Kenny has been repairing it after the plane was damaged at a contest in 2016. It was built as a take-apart plane to fit inside airline cargo. Kenny indicated that it took 4 months to paint and consisted of silkspan that was dyed, followed by 22 coats of dope, and 4 coats of clear. As usual the fit and finish on the plane was superb.

Congratulations on this winning entry for the Coyote Hobbies gift card with this very nice model !!

---

## Fall Classic Giant Scale Fly-in Update

by Curtis Adams

We have had two planning meetings for the Fall Classic, so far. These meetings were very productive with approximately 8 – 10 people in attendance. It was decided that we would continue to support our local charities, (Easter Seals Cardinal Hill and The Kids Cancer Alliance).

We have also discussed better ways to get the word out. This year, we will have an opportunity to appear on at least one noon-time TV show. Jenny Wurzback is also working with WKYT to get us on their show as well. There are other PR ideas in the works as well. An added attraction this year is a Horse Farm tour for the pilots and their families.

PJ Ash has been able to secure some nice raffle items for the pilots which will help to enhance the raffle. We will also be sending requests to other vendors in the hopes of generating enough nice donations to have a nice raffle. Mickey is working on the idea of a raffle for the public. Not sure what he is planning but when the details are available we will share with the club.

We want would like to see more people involved in the Fall Classic so please know your participation is welcomed and appreciated as this event belongs to the club. If the raffle to the public happens, we will need folks to man a booth with the raffle plane and club information. This would be a great opportunity to help the club and get involved. We would also welcome help on setup day and during the event.

## ***Airfield Gate Lock***

*by Carroll Ware, Club Treasurer*

**As of Jan 1, 2017, everyone needs to renew club membership and turn in last year's key to get a 2017 gate key.**

**As of April 1, 2017, you will need a new 2017 gate key to unlock the gate. Your old 2016 gate key will not work.**

**Flying in 2017 is not permitted, if your club membership has not been renewed or your AMA membership has expired.**

**Any one of the locks must be able to open the gate**

**The 2016 lock was removed on April 1, 2017.**

## New Club AMA Badge Policy

Something new for 2017 -- the club membership has approved by vote to provide an AMA Card holder to be worn on your person at airfield. Displaying your AMA card will help everyone know your name as well as show proof of insurance as required by LFUCG and LMAC.

When annual dues are paid, you will receive the AMA card holder with your 2017 club membership sticker. Affix club sticker to AMA card. Insert your AMA card in the badge holder and clip it on your shirt, etc. Pickup a shirt clip for your AMA card holder in the first aid box at the airfield shelter. You are welcome to use your own method of displaying your AMA card as long as your name, club sticker and AMA expiration date are visible on your person while at the airfield.

### New Club AMA Badge Policy

All members should serve as a good role model by always displaying their AMA badge on their person at all times while at the airfield. Purpose of this policy is to help everyone learn your name and to show proof of insurance as required by LFUCG and LMAC.

A person without a badge being displayed will not initially be prevented from flying.

Regular members should not confront a person who is not displaying their badge, but may elect to notify a club officer to handle the situation.

A club officer, at his discretion, may elect to approach the person in a cordial manner to determine if the person forgot his badge or if he does not know about the badge policy. The club officer should always interact with the person in a patient, kind and caring way so as to not cause stress or loss of a club member.

If the person, after being made aware of the badge policy, becomes a persistent offender (3 or more times), then a board meeting should be held to discuss the situation and decide on any further action.

Guest pilots could be excluded from this policy or may be given a temporary guest badge to be kept at the airfield.

## Blast from the Past

by David Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some, it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the April 1936 issue of Model Aircraft Builder for the Training Plane. Not an RC item, but it was an interesting teaching tool and all for \$1.00.

Learn How to Operate a Plane In Your Own Home with this thrilling

### TRAINING PLANE

An Amazing New Invention! Not a Toy!

A practical training plane developed at the Casey Jones School of Aeronautics, Newark, N. J., indorsed by such famous pilots as Casey Jones, Amelia Earhart, Lieutenant-Colonel Vaughn, Lee Warrender and many others. Learn how to take off, climb, dive, bank, turn; how to avoid sideslips, stalls, tailspins, and other dangers: teaches you all about flying—and works just like a real airplane. Comes complete, all ready to assemble.

Promotes knowledge of aviation. Leaders! Get one for your club.

## ***Sailplane Plus Fly-in*** *by Jeff Cummings*

# **Sailplane Plus Fly-in**

## **Saturday, May 20<sup>th</sup>, 10am**

### **Attention all pilots**

The Clark County RC Barnstormers are having our annual Sailplane Plus fly on May 20th, at Hisle Field, Kiddville Rd, Clark County.

We have added "Plus" to the event name to accept all airplanes this year. Since the weather has been on a down ward spiral this spring, most of us are anxious to fly something, Grab what you got and come on out.

## KY Bluegrass Vintage Festival - May 25-26

by Dan Thompson

**Kentucky Bluegrass Vintage Festival**

**When: May 25 and 26, 2017**
