

The President's Corner

by Mickey Breunig, President -LMAC

Finally the flying season is here. The weather is still unpredictable but it gives us windows of opportunity that we can take advantage of.

The runway has been resealed and is looking great. This should last us for at least another 5 years and we will be budgeting to have to keep it in great shape for years to come.

The first club meeting at the field us coming up this Saturday at 11 am. The weather isn't forecast to be very friendly but we typically have good weather to fly before or after the meeting. We plan on having hamburgers and hot dogs so not only should you bring an airplane, but also bring your appetite.

At the beginning of each flying season we should be extra careful to remember good safety habits. It has been several months that some of us have flown much and we may have forgotten some of the important safety concerns. Be sure to refresh yourself with good safety procedures and develop some good habits this year.

Be Safe and see you at the meeting on Saturday.
I hope to see you at the meeting.

Minutes of April 11, 2019 Meeting

By Jim Newberry, Secretary

The monthly meeting of the Lexington Model Airplane Club (LMAC) was called to order on April 11 2019 by Club President Mickey Breunig at 7:09 p.m.

The minutes of the March meeting were approved.

Carroll Ware gave a brief treasurer's report and stated we now have 86 paid members.

Jeff Cummings reported that we are currently training two students.

The runway cracks will be filled and runway sealed and restriped . The cost is \$5950.

The Trainer Banger event will be scheduled for October this year. Unlike last year there will only be one vs. two last year. The date is to be determined.

The monthly meeting of the club will be held each Saturday, the Saturday following the second Thursday of the month starting in May and running through September.

Carroll and Carroll Ware will be graveling the ruts near the porta potty and at the end of the east shelter nearest the center pavilion \$350 was approved by the members.

The meeting adjourned at 7:58 p.m.

Next LMAC Club Meeting:

Saturday, May 11, at 11:00 AM

Meeting Location:

LMAC Flying Field

4200 Hedger Lane

Lexington, KY

Visitors are Welcome !!

Blast from the Past

by David J. Price

Hello Club members, I am back after my stroke on February 8. The stroke knocked out my right leg and arm. I have spent 7 weeks in hospital recovery. I can walk again and my arm is slowly recovering. My current goals are to drive and fly RC again, which WILL happen. Many Thanks to all that visited or called me during recovery. Also many Thanks to those that had me in your thoughts and prayers. Since I am back, I can continue showing you RC advertisements from yesteryears.

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is a product application by photo editor Dick Tichenor, from the June 1976 issue of RCM, for Armor-All. Yes, I have used Armor-All for shinning RC tires. It also works on clear canopies, heat shrink covering, and increases the life of rubber bands.

Don't forget Dan's KY Bluegrass Vintage Festival Fly-in, May 21-22, 2019.

Here's another hardware store item, Armor-All. It protects rubber and plastic wheels from rotting and keeps the tires looking like new. It really works and a little bottle lasts a long time. Try it on rubber bands, as well.

Runway Improvement

If you haven't been to the field since last week, the runway repairs are complete. The cracks are filled and the runway is sealed and striped. Thanks to everyone for their corporation with the closing of the field for a couple days while the repairs were being done. It is definitely ready for all the summer activities. It looks great and our planes won't fall into the abyss because the cracks are gone. Hope to see ya out at the field soon. You will also notice on the treasurers report that the Airfield Maintenance Accrual Account is now empty. Just pretend the runway is Green instead of Black. Well I guess we will have to start saving again for the next major expense.

2018 Calendar of Events

(Email John Royalty to add event dates)
