

The President's Thoughts

By Mickey Breunig, President

Wow!! What weather we have had this past week for flying. It is certainly unexpected in November. I had the pleasure of flying Saturday as well as Sunday. I hope you were able to take advantage of the nice weather yourself.

We will be having our November meeting on Thursday night. We will vote in the officers for 2021 at the meeting. Two late nominations have been made after the meeting in October. Lester Ware was nominated for Safety Officer and Blake McBrayer was nominated for Treasurer. Both accepted the nominations.

The Swap Meet is scheduled for Saturday, November 14th. We will still need help setting up the tables before the swap meet as well as resetting the tables in the afternoon for the Bingo Hall. I hope we can get enough volunteers. They are much needed.

I hope to see everyone at the meeting on Thursday night.

Michael Breunig

Next LMAC Club Meeting:
Thursday, November 12, at 7:00 PM

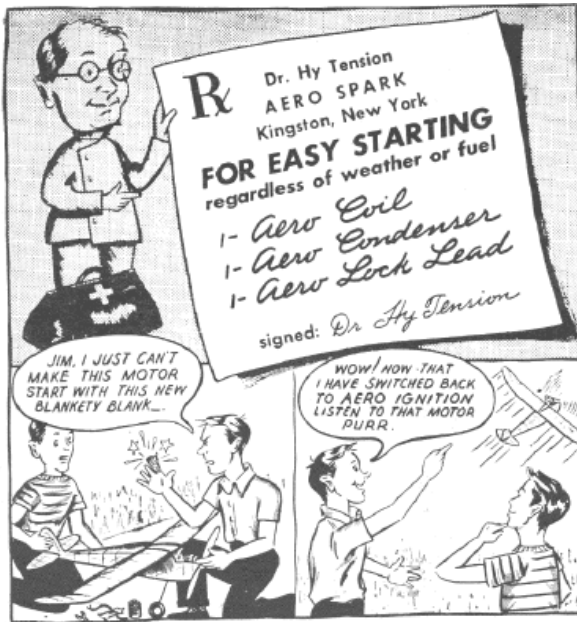

Meeting Location:
Buds Gun Shop
1105 Industry Road
Lexington, KY 40505

Visitors are Welcome !!

Blast from the Past

By David J. Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the April 1948 issue of Model Airplane News for Dr. Hy Tension's Aero Spark coil that included an after-market coil, condenser, and lock lead for your ignition model engine. It claims to make your ignition engine easy to start. I found a picture in the web of the items you received.

Treasurer's Report *By Carroll Ware, Treasurer*

No Treasurers Report Submitted At Time of Publishing.

Annual LMAC Swap Meet Saturday, November 14

The LMAC Swap Meet is coming up, on Saturday, November 14, 2020. It will again be in the Jackpot Bingo Hall in the lower level of the Eastland Shopping Center (See Flyer with map attached). Last year, we had a very good meet with 75 tables rented plus 4 tables of floor space. Table renting is equal to last years at this point. There is strong interest by the SELLERS to attend. If you plan to rent some tables, call me for a reservation, as we are down to less than 10 tables available.

Due to Covid 19 this year, we all need to wear face masks and practice "Social Distancing". We will be checking everyone's temperature at entry and providing a PASSED (meaning approved to enter) sticker. There will be Hand Sanitizer available throughout.

Some of our members were able to buy some "must have" items at very good prices last year. A few of the sellers want to "get rid of everything", so there will be some great buys.

We will have five club tables. If you have items that you would like to add to the donated equipment, please bring that stuff to the club table the morning of the Swap Meet. Lester Ware will be managing the club tables. Donations are one of our best source of proceeds. Lester and Carroll have collected the club items, so you could get your donations to them ahead of the Swap Meet.

Please come out and help with the setup. If you are part of the setup team, you will get in free and be ready to spot the best items. Setup starts at 7:00 AM. We are usually finished by 7:30. There will be hot breakfast items that morning.

Please join your LMAC members to re-set the tables at 1:00 PM. The club officers are usually stuck with the re-set of the tables. Come out and give them a hand.

Your attendance is a major factor in the success of the Swap Meet.

Joe Woods, LMAC Swap Meet Chairman.
