

The President's Corner

by Mickey Breunig, President - LMAC

With the end of summer, most of the flying season is behind us. The fall is still a great time to fly, but you have to take advantage of the good days when they present themselves. The Fall Classic usually marks the beginning of the end to the flying season.

The Fall Classic saw some good weather and had a lot of excitement. Curtis Adams and his crew did a very good job of putting together a very enjoyable weekend. We got to see a lot of new planes and we even got to see a lot of old planes do new things. If you didn't get to see the Rascal get put thru the paces, you missed an exciting flight. Dan Thompson even graced us with a few flights of his Mud Duck. But even with the flying season coming to an end, there is still plenty ahead for the year.

The annual swap meet is coming up Saturday, November 11. It will be held at the Jackpot Bingo hall on the backside of the Eastland Shopping Center. There are always plenty of good deals on airplanes to be had at the swap meet. It is also a good time to clean up your shop. Bring your extraneous planes, motors, radios to the swap meet. You can even bring that ARF or kit you have decided you will never get around to. The Swap Meet is the perfect time to make room for that next plane.

There are other swap meets in the surrounding area. A list of the swap meets can be found in the back of the Model Aviation magazine listed by month and state.

Happy Flying,

Mickey Breunig

President - Lexington Model Airplane Club

Minutes of Sept 9, 2017 Club Meeting

by Bob Cooper

The club meeting was held on Saturday, September 9, 2017 at LMAC Airfield, 4200 Hedger Lane, Lexington, KY.

Meeting was called to order at 11:22 AM by Mickey Breunig

Minutes of the August meeting posted in the monthly newsletter were approved.

Treasurer's Report for the August meeting posted in the monthly newsletter was presented by Carroll Ware and approved. There are 117 paid members.

Safety report was presented by Mickey Breunig. He noted that on a certain date during the past month, a full sized helicopter approached the end of our airfield. In the future, be prepared to avoid any full sized aircraft and consider having a spotter to be beside you when flying to watch for aircraft.

Old Business

Trainer Banger Flying Competition report was presented by Mickey Breunig. Plans are to schedule a Spring and Fall competition in 2018. Consideration will be given to have several beginner classes and rotate judges to all pilots.

Fall Classic Giant Scale Fly-in preparations were presented by Curtis Adams. Lee Cruse will advertise the event on the Noon TV Show. A horse farm tour is being offered. Club members will be needed to help with parking and spectator control. Some pilots with RV's will come in on Monday to camp during the event week. Wednesday will be airfield setup day when some help will be needed. Terry Booth will be cooking and will need assistance. Thursday and Sunday will be open fly. The City will be cutting the tall grass before the event.

New Business

The airfield grill needs a cart to make it easier to move across the gravel. A motion was made by Mickey Breunig to budget \$200 for a cart for the grill. The motion was seconded by Carroll Ware and approved by vote.

Mickey Breunig made the motion to adjourn the meeting at 11:45AM. The motion was seconded and approved.

The next club meeting will be at Morning Pointe Senior Center on Thursday, October 12 at 7:00PM.

Model of the Month

Mickey Breunig won the Model of the Month with his USAF T-34. The 80 inch wing span plane weighs 16 lbs and is powered by a OS91FX 2 stroke glow engine. It was fully equipped with Robart retracts. The military markings on this perfectly built plane were beautifully done.

Congratulations to Mickey Breunig on winning the Coyote Hobbies gift certificate !

Fall Classic Giant Scale Fly-in - Report

by Curtis Adams

The 2017 Kentucky Fall Classic is now history. It takes place the 3rd weekend of September every year. It's hard to believe but this was year 14 for this event. In the beginning the event was promoted as an event that was about the pilots, their guest, the community and giving back to the community. Because of the atmosphere we have created our pilots and their guest look forward to coming to Lexington every year because they know we try to make sure we treat them right. As of 2016 we have given \$15,300 to local charities and we should be able to add to that number this year. This donation represents all of you (our members). We heard nothing but positive comments about the event this year. Spectator attendance was down this year but the few we did get were very generous and complimentary. Our pilot count was up even though some of our regulars didn't come due to bad weather early in the week. This was due in part to club members participating in the event. We also had some pilots from Louisville and Bowling Green that don't normally come. We appreciate all that participated in the event and hope you come back next year. We had an added attraction this year thanks to Ralph Herms. His friend Billy Oakes provided us with live music during the Saturday night dinner. Thanks Ralph for handling this.

Statistics:

Pilots - 52

Gross Income - \$3660 (down \$300 from last year)

Expenses - \$1440 (down from last year)

Profit - \$2220 (last year \$2300)

40 people attended the dinner this year.

Last but not least, we want to thank everyone that helped with the event. It couldn't be done without all the people that come out and help each year. Your hard work is truly appreciated. I'm not going to name names because I always leave someone out but you know who you are. These volunteers provide everything from parking cars to the sound system and everything in between. Let me personally say THANK YOU.

(continued on next page)

(continued from previous page)

The following is the preliminary financial report from Carroll Ware of the event.

Fall Classic Inflows:

Gate: \$879.00 (Last yr. 848.00)
 Concessions: \$624.65 (Last yr. 858.00)
 Pilots, Camping & Dinner: \$1264.00 (Last yr. 1209.00)
T-Shirts: \$896.00 (Last yr. 1051.00)
Total In: \$3,663.65 (Last yr. 3966.00)

Fall Classic Expenses:

Concessions: \$383.35 (Last yr. 583.75 for Dinner and Lunches)
 Dinner: \$202.75 (Last yr. See Above)
 Candy: \$61.64 (Last yr. 0.00)
 T-Shirts: \$572.00 (Last yr. 654.00)
 Pottie: \$196.00 (Last yr. 196.00)
 Sanction: \$25.00 (Last yr. 25.00)
Other Exp: 0.00 (Last year 204.92)

Total Exp: \$1,440.74 (Last yr. 1663.67)

Total In: \$3,663.65

Total Out: \$1,440.74

Net Amt: \$2,222.91 (Last yr. 2302.33)

This is just under \$80 less than we made last year.

Blast from the Past

by David Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some, it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the October 1966 issue of Radio Control Modeler for the Kraft Custom Radio. Yes, those are toggle switches. They used to call them “clickers” when flying.

The Quality and Performance Standard for the Field . . .

TRANSMITTER

- All transistor— smallest, easiest to use
- Highest RF output
- Temperature stabilized from -0 to +140F
- Single 9V battery lasts a full season
- Center loaded antenna for maximum efficiency

CUSTOM 10 \$118.95 CUSTOM 12 \$129.95
(For 50-54 mc add \$10)

KRAFT

CUSTOM 10 and 12 CHANNEL

RECEIVER

- Smallest, lightest superhet reed receiver
- Exceptional selectivity and sensitivity
- Temperature stabilized from -0 to +140F
- Size: 2 7/8" x 1" x 1 3/4"
- Weight: 3.5 oz.

CUSTOM 10 \$89.95 CUSTOM 12 \$99.95
(For 50-54 mc add \$10)

17th Annual LMAC Swap Meet - Sat. Nov. 11th

by Joe Woods

Our 2017 Swap Meet is coming up on Saturday, November 11. The place and format of the Swap Meet will be the same as the last few years. As of Oct 6, we have 17 tables reserved. Last year at this time we had 8 reserved. So, we are off to a good start. But, the majority of the rentals come in the last week; so we never know until the last minute. If you are planning to rent a table/s, get you reservation in by calling or emailing me. Please spread the word about our Swap Meet.

The cabling guy is going to be here again this year. He has motors and various electrical accessories at good prices.

Last year, we had a great donation table with super buys. If you have items that you would like to donate, we will have a "Club" table; so bring those items in before 9:00 AM. A copy of the "flyer" follows which contains the pertinent information.

Last year, we had a good turnout of volunteers to help with the setup. We will start at 7:00 AM, on Saturday, November 11, and expect to have the tables in place by 7:30 AM. The grill should be going by 7:30 or 8:00. Coffee will be available along with breakfast hot items. For those who are there for the setup, there will be no entry fee and you will have first chance to buy those items that you cannot do without.

We are always short-handed for the reset of the tables to the original position. We will start the reset at about 1:00 PM; so stay for that activity or stop by to help out.
