

The President's Thoughts
By Mickey Breunig, President

As the flying year is slowly winding down, we still have a couple of events left. The Trainer Banger and the Swap Meet are remaining this year and are both coming up shortly.

The Trainer Banger is this Saturday. The rules for the competition are on the website on the opening page. If you have time to get in some practice in, it is suggested because the judges are rumored to be very tough this year.

The Swap meet is going to be November 11th this year and will be at the South Jessamine High School again this year. There are still tables available ready to be reserved. We cut back on the number of tables we put out last year so you should get your tables reserved as soon as possible.

The meeting will also be this Saturday the 21st. Details of the Swap Meet will be discussed as well as the proposal for a dues increase. It has been several years since we have increased dues, and it has become a necessity to keep up with current expenses. Your opinion and vote at the club meeting is welcome, for or against. This will be the last meeting at the field for the year, so let's hope for some good weather.

Just for everyone's information that has gas airplanes. There is a Huck's Gas Station next to the Freddy's on the corner of Polo Club and Man-O-War in Lexington that is carrying recreational gas, alcohol free gas. This is very convenient for anyone going to the field. The ethanol free gas is much better for the pumps and gaskets in the carburetors of the gas motors in our planes. The nearest place for most of us has been Nicholasville before now.

I hope to see you there.

Michael Breunig

Flying Guest - Any club member may host a guest at the flying field three times in their lifetime. Sanctioned flying meets are excluded.

Trainer Banger Saturday, October 21, 10am

The long-awaited Trainer Banger Fly In has arrived. **It is this coming Saturday, October 21 at 10 am.** Bring your trainer and try to fly the maneuvers. Class maneuvers are required to be flown in the sequence. For your selected class. This event is always a lot of fun. Come Out and test your skills. This year there are two flying classes, Novice and Advanced. This year's judges will be Dave Price, Carrol Ware, Sylvester Hale. Here are the list of maneuvers for each class:

☐ Maneuvers

• **Novice Class**

1. Take-Off
2. Fly Past
3. Procedure Turn
4. Figure 8
5. Descending 360
6. Overshoot (Missed Approach)
7. Touch and Go
8. Slow Speed Inspection Pass
9. Landing
10. Realism

• **Advanced Class**

1. Take-Off
 2. Slow Speed Inspection Pass
 3. Figure 8
 4. Loop
 5. Barrel Roll
 6. Stall Turn
 7. Overshoot (Missed Approach)
 8. Touch and Go
 9. Landing
- Realism

Blast from the Past

By David J. Price

This series of articles will present advertisements from vintage modeling magazines. The intent is to illustrate technological advances that have taken place in our hobby. For some it will bring back memories, for newcomers it will present a piece of history of radio control model aviation.

Here is an advertisement from the October 1951 issue of Model Airplane News for "Spitzzy" Nitromic Glow Fuel from Mel Anderson Manufacturing Co. The advertisement claims there was a \$500 reward for any glow fuel formula that would out-perform "Spitzzy" Nitromic Glow Fuel. Do not know if the reward was ever claimed. Nitromic Glow Fuel was not cheap, at 0.85 cents per pint or \$6.80 per gallon in 1951.

Spitzzy NITROMIC
"BALANCED POWER"
GLOW FUEL

FOR SMOOTH NITROMIC POWER

FOR SMOOTH NITROMIC POWER

Spitzzy NITROMIC GLOW FUEL

ONLY 85¢
FOR A FULL PINT OF POWER

IT STILL GOES... \$500.00 REWARD

As AMA anticipated, the FAA has announced they are extending the Remote ID enforcement date by six months. Operators now have until March 16, 2024 before they will have to comply with the rule. This extension provides the FAA more time to approve FRIA applications and manufacturers the time for production of broadcast modules. For the FAA’s full statement on the extension, [click here](#).

To remain current with the most recent government-related news, regularly [visit the AMA Government Affairs blog](#).

Sincerely,AMA Government Affairs Team
